<sup>1</sup> DAC sectors (codes and descriptions) are indicated in the first and fourth columns of the tab 'purpose codes' in the following document: <http://www.oecd.org/dac/financing-sustainable-development/development-finance-standards/dacandcrscodelists.htm>

<sup>2</sup> Actual contribution to targets will be confirmed ex-post based on a standardised methodology.

<sup>3</sup> This target is specific to INTPA. If the action is marked as contributing to the Education target, please make sure the target on "Social inclusion and Human Development" is also marked.

<sup>4</sup> Thematic target for geographic programmes (at least 15%) in delegated act.

<sup>5</sup> For guidance, see <https://www.oecd.org/development/financing-sustainable-development/development-finance-standards/> (go to "Data collection and resources for reporters", select Addendum 2, annexes 18 (policy) and 19 (Rio) of the reporting directive).

If an action is marked in the DAC form as contributing to one of the general policy objectives or to RIO principles as a principal objective or a significant objective, then this should be reflected in the logframe matrix (in the results chain and/or indicators).
