1.2 Summary of the Action

This governance action is the second phase of a flagship joint programming initiative of the EU, Germany and Switzerland, with the overall objective of increasing citizens' engagement in inclusive national development of the Lao PDR. Building upon the results achieved by CEGGA I from 2017 to 2022 (OPSYS ref. ACT-D-37777-00; ACT-D-39158-00), the proposed action will promote more inclusive and responsive national development processes within the framework of rule of law and human rights principles, by pursuing increased citizen-state interaction in the civil society, parliamentary and justice sectors. It will promote increased policy dialogue between CSOs and government institutions; strengthened decision making processes of the National Assembly (NA) and Provincial Peoples' Assemblies (PPAs) on behalf of citizens; and strengthened access to justice for citizens within the justice sector.
