1.2 Summary of the Action

The Cooperation Facility is an essential instrument to support the implementation of the EU cooperation in Angola.

It aims to reinforce the efficiency of the EU cooperation and of the "Team Europe" approach in the country, promote Joint Way Forward (JWF) strategic objectives, and enhance EU's strategic communication and public diplomacy by complementing and providing added value to the implementation of cooperation programmes and JWF's objectives and by creating synergies and increasing the visibility of the EU's action in Angola and EU's multilateral agenda.

This action will contribute to the successful preparation, implementation and strategic communication of the priorities of development cooperation between the EU and Angola and foster a more coherent and informed approach to policy dialogue and to cooperation. Furthermore, it falls within the context of the strengthening relations between the EU and Angola on the basis of an enhanced strategic dialogue.

It will include:

1. A technical assistance component: to flexibly respond to different needs on specific aspects related to the identification, formulation and implementation of projects by supporting and following-up on the programming, preparation and implementation of actions, including in the context of the Team Europe Initiative (TEI);
2. A dialogue component: to support the implementation of JWF objectives, enhancement of cross-sectoral institutional capacity and expertise to engage in policy dialogue in areas of common interest to Angola and the EU, and coordination of the Team Europe approach;
3. A strategic communication and public diplomacy component: to implement communication in all cooperation project with a strategic global approach and public diplomacy activities, including awareness raising about the EU's priority areas of interventionin the country, EU's Global Gateway priorities[3] and multilateral agenda[4].
