1.2 Summary of the Action

Gender-based violence against women, girls and LGBTI persons is a widespread reality in Colombia and has affected disproportionately ethnic minorities and women human rights defenders, not least in conflict-affected areas of the country, with sexual violence as a war strategy. It is a consequence of existing inequalities between women and men, and it contributes to perpetuate them. Colombia's legal framework is up to international standards but implementation remains a huge challenge. Gender-based violence has been further exacerbated in the context of
