1.2 Summary of the Action

Bonaire's Multiannual Indicative Programme (MIP) 2021-2027¹ on water management and sanitation (effective sewage management) will be implemented through one single Action of EUR 4 600 000 (with EUR 4 100 000 earmarked for budget support and EUR 500 000 for complementary support) over the period 2024-2026. The Directorate of Spatial Planning and Development of the Public Entity Bonaire will implement the Action².

By identifying water management and sanitation as the main priority area, the Action is fully in line with the framework of cooperation established by the Decision on the Overseas Association, including Greenland (DOAG).³

Population growth and an expanded tourism industry have increased both wastewater and solid waste. Building on the achievements of the 8th, 9th and 10th EDFs, this Action intends to safeguard and restore both marine and terrestrial
