1.2 Summary of the Action

The European Union's cooperation strategy with Lesotho, the Multi-Annual Indicative Programme 2021-2027, focusses on two priority areas: (1) green and resilient economy and (2) good governance, peaceful and just society. Under the first priority area, EU cooperation aims to facilitate Lesotho's move towards a circular economy that becomes increasingly sustainable and self-sufficient with regard to energy generation and consumption and that provides affordable access for all to energy, water and sanitation. Under the second priority area, EU cooperation supports the process of national reforms undertaken by Lesotho and the improvement of service delivery to the citizenry, particularly social protection.

This action will contribute to both priority areas by strengthening civil society and the equitable participation and representation of women, men, girls and boys in all their diversity in policy- and decision-making at all levels, and by establishing a cooperation facility to support the implementation of the Multi-annual Indicative Programme 2021-2027 and Team Europe Initiatives, including strategic communication activities to promote the values that inspire the partnership between Lesotho and the European Union.
