1.2. Summary of the Action

The Action aims to contribute to a more robust and inclusive financial ecosystem that drives sustainable economic growth, promotes equitable opportunities, and enhances resilience to environmental (and social) challenges in Honduras.

The Action supports three State-Owned Development Banks (SDBs) in Honduras, their networks of Intermediary Financial Institutions, including Microfinance Institutions (MFIs), and final beneficiaries with Technical Assistance focused on the following Strategic Objectives (SO):

SO #1: Strengthen State-Owned Development Banks' strategic role in green finance and green investments targeted for MSMEs and Households.

SO #2 Increase the operational efficiency, market access, institutional knowledge and capacities of State-Owned Development Banks, Financial Intermediaries, and MSMEs, integrating sustainable, gender-responsive, and green practices and standards.

SO #3: Increase socially and environmentally responsible European private sector investments in Honduras.

The action will advance environmental and climate change priorities in the public investments agenda, providing both financial institutions and investors with the necessary technical support for a green transition at national and
